

Celebrating #CC250

On July 4, 2026, communities across the nation will celebrate the 250th anniversary of our great nation. Planning for celebrations and commemorations is underway NOW, at the federal, statewide, and local levels. On November 10, 2021, the Chester County Commissioners signed a resolution to create the Chester County America250 PA Commission (CC250).

CC250's overarching goal is to promote interactive, inclusive, compelling experiences to commemorate and celebrate America's 250th anniversary throughout 2026. CC250 initiatives shall help Chester County communities and visitors encounter the many ways in which Chester County participated in and influenced our nation's past, and elevate our understanding of our continuing journey to build a more perfect union.

Part of the campaign involves highlighting CC250 events on social media. This toolkit should provide guidance, hashtags, and other resources that individuals and organizations can use throughout 2026.
